

Dear

I write to invite you to attend a morning tea being organised to support HeartKids. This is a special charity working to address the needs of children born with congenital heart disease.

I am sure you will be amazed to learn that congenital heart disease is the most common birth abnormality – affecting 1 in every 100 children. Sadly it still takes more lives than all other childhood diseases combined and twice that of childhood cancers!

Not only will be able to support this great cause, but it will be an opportunity for you to meet my friends and neighbours.

The concept involves each person bringing a small plate, either of their favourite recipe or of one of the recipes shown on the Cuppa for Kids website:

www.cuppaforkids.org.au

All donations over \$2 are fully tax deductible. If you would like a receipt, please be sure to fill out the donation sheet provided and HeartKids will send you a receipt.

I hope you are able to join us.

With kind regards
